**COMMUNICATION ACCOMPANYING PETITION FOR REVIVAL FOR  
PATENT ABANDONED UNAVOIDABLY**

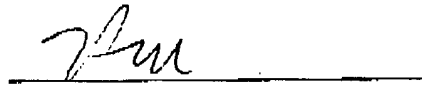

20        On 12/19/03, Applicant, in good faith, timely filed a response to the  
restriction requirement of 12/01/03. The response inadvertently transposed two  
numbers of the serial number in the heading of the response. Applicant  
accidentally typed "10/067,467" rather than the intended "10/076,467". Despite  
the Applicant's internal review policies and best efforts this error was not  
25    detected. This error resulted in the response not being directed to the present file  
at the USPTO. This error was brought to Applicant's attention on 11/23/04  
which caused Applicant to file the present communication.

Applicant would like to withdraw the Petition for Withdrawal of  
Abandonment filed on 8/25/04 and requests a refund of the associated fee  
(\$130.00).
